

# 2024 MEMBERSHIP

by January 1, 2024

**Message from the Executive Director**

Hello Members,  
I hope this last message of 2023 finds you well. As the GFOA Alberta continues to thrive, we want to express our gratitude for your ongoing support and participation as a member.

**2024 Membership**  
As the end of the year approaches, it's time to renew your annual membership. Membership ensures that you maintain access to a wealth of resources, networking opportunities, and exclusive benefits that will enhance your professional development. Anyone interested in GFOA Alberta may simply, simply click on the following link: [2024 Membership](#). For existing members renewal is really simple as your primary contact has received an invoice and will renew your membership on your behalf. If you are not yet a member, but your organization is, please contact your primary contact to add you to the membership list. If you have any questions or need assistance with the renewal process, please don't hesitate to reach out to our membership team at [programs@gfoa.ab.ca](mailto:programs@gfoa.ab.ca)

**2024 Conference:**  
We are thrilled to announce our upcoming **READY.SET.CONNECT GFOA Conference**, scheduled for June 2-5, 2024. This conference promises to be a highlight of the year, featuring Keynote Speakers, Breakout Sessions, Panels, Networking Events, and more (golfing at Devon Golf and Country Club). Whether you are a delegate or sponsor/exhibitor, your presence will contribute to the success of this event.

Registration will open **Jan 2, 2024**. Stay tuned for detailed information, including the conference agenda, and event details. We can't wait to see you there!

**Professional Development Webinars:** In our commitment to fostering continuous learning for our members, we have curated a series of professional development opportunities with our partners designed to elevate your skills and knowledge. The next webinar will be hosted by Metrix Group "Implementing Municipal Performance Measurement" on January 19, 2024.

Watch the monthly newsletter and [LinkedIn](#) page for webinar information and look out for invitations to these webinars in your inbox, and be sure to mark your calendar for the ones that align with your professional goals.

Thank you for being an essential part of GFOA Alberta. We look forward to your continued involvement and the exciting opportunities in the coming year. Maybe I will see you at Peavy Mart while I am shopping, if not, Happy Holidays to your and family!

Best regards,  
Rick Wojtkiw  
Executive Director

"Governments have the ever challenging mandate to steer the economy towards growth and ensure its long-term economic stability and prosperity despite disruptors such as economic crises, climate change, social inequality, and the fast-moving advancement in technology. While revenues are constrained and borrowing costs are rising, a shift in mindset is required from demand stimulation to productive assets that multiply economic benefits and value for citizens. This means moving away from a surplus-oriented focus and toward a value-driven approach that delivers value for money, minimizes business disruption, and achieves results with meaningful impacts. In this article, [Evolving to modernize public services: The pursuit of fiscal sustainability](#), you'll gain valuable insights into the current monetary state of the public sector and more importantly into forward-thinking solutions, and areas of opportunity for all public sector leaders to achieve a financially sustainable future."
